food(for 7 days)+water+weapons+vehicle	700 points	-25 hp
weapons(for 7 days)+water	500 points	-60 hp
crowbar	200 points	-90 hp
Nothing	100 points	-99 hp

**Round 2:** For the next 14 days, for each day your hp takes a hit of 5 points. you need resources to survive the next 14 days. The following are your options for resources:

Resources	Cost	Effect
Food and water:		
Food+water for 14 days	500	+2 hp for each day
Food+water for 7 days	300	+2 hp for each day
Food+water for 3 days	100	+2 hp for each day

weapons:		
Weapons for 14 days	500	+3 hp for each day
Weapons for 7 days	350	+3 hp for each day
Weapons for 3 days	200	+3 hp for each day
Health		
HP(only up to 150 hp)	25	+5 hp

Participants may choose only one option from each category only once. health can be bought multiple times up to 150hp. This will be a rapid fire round with a time of 1 minute. Each team will be asked questions individually. One team member will be separated. Their job will be to score a penalty on the correct answer to a question by their team. Questions will not move forward until the penalty has been kicked. The points will be awarded only if the penalty is scored. For example if a team answered 7 questions and the goal was scored only for 4 questions then they will be rewarded with 400 points.

**Round 3:** multiple choice round. Each team will have to give answers using placards. On giving the correct answer they will be awarded with 10 hp and for wrong answers each team will lose 5 hp. The last team standing wins the game. All need to answer at once.
